Hello Jeffrey,

I have added your documents to SEMS database and created a draft AR index, which is attached in PDF and Word format. If you have any additions or changes, just let me know and I will make them.

The Doc ID's are 938079-938081

Thanks,

Jarrett

Good Morning –

Please transfer to SEMS-RM and provide the new Doc ID numbers to Jeff Kimble. These do not appear to contain sensitive information and are anticipated for an AR, but please screen accordingly.

Thanks-
TQ

Todd,

Can you add these to SEMS for Wolverine Worldwide (site ID C593)? We will be routing an action memo, all other documents referenced in the AR are already in SEMS

Ms. Hendershott,

Please see the attached ARARs letter requesting the State to identify any Applicable Relevant and Appropriate Requirements related to U.S. EPA's Action Memorandum and anticipated activities at the Wolverine Worldwide Tannery and House Street Disposal Area Site.

Please let me know of any specific provisions of MDEQ statutes or State regulations that apply to this upcoming work.

Thank you,

Jeff Kimble, EPA OSC
